Parish Website.

After a slight delay, the new website is up and running so please have a look at it and see what you think of it. If you do find any mistakes or errors then please let the Clerk know so that they can be corrected. Furthermore, the Parish Council would appreciate any feedback you may have regarding the site. It is far easier to amend and update, so hopefully it will always be up to date. Already we are investigating to see if there is any way that these updates can be uploaded to the site and sent automatically to subscribers as this will be a better way of communicating. Councillor Helen Holman must take most of the credit for this improved site.
